

## News Release

November 18, 2014

TSX.V: GXM  
Frankfurt: G2W

### BOARD CHANGES

Geodex Minerals Ltd. (TSX-V:GXM), (the “Company” or “Geodex”) is pleased to announce the appointment of Gorden Glenn as the non-executive Chairman of the board upon the retirement of Jack Maris. The company would like to thank Jack Maris for his many years of service to the company as a director, CEO and latterly as Chairman.

Gorden Glenn has been a director of Geodex for several years. He is also the Chairman, President & CEO of Minnova Corp (TSX-V:MCI). He has over 25 years’ experience in exploration, mine development and capital markets. He has significant technical/field experience with Minnova Inc., Inmet Mining and Kennecott Canada, where he developed and managed substantial exploration programs. His capital market's experience includes analysis and valuation of mining projects and companies as a mining analyst at Griffiths McBurney and Partners, RBC Capital Markets, Northern Securities and McFarlane Gorden. He eventually transitioned to investment banking with TD Securities and Desjardins Securities where he advised on over \$30 billion in M&A and financing mandates.

#### About Geodex

Geodex is a mineral resource company focused on critical metal projects, particularly Antimony and Tin. Projecting from its traditional base in Canada’s Maritime Provinces the company intends on pursuing opportunities in these metals both there and in Spain, around the Mediterranean Basin and in other traditional mining regions by aggregating past-producing and producing mines in these metals.
