APPOINTMENT AND REVOCATION OF PROXIES

A holder of Common Shares who appears on the records maintained by the Corporation's registrar and transfer agent as a registered holder of Common Shares (each a "**Registered Shareholder**") may vote in person at the Meeting or may appoint another person to represent such Registered Shareholder as proxy and to vote the Common Shares of such Registered Shareholder at the Meeting. In order to appoint another person as proxy, a Registered Shareholder must complete, execute and deliver the form of proxy accompanying this Circular, or another proper form of proxy, in the manner specified in the Notice of Meeting.

The purpose of a form of proxy is to designate persons who will vote on the shareholder's behalf in accordance with the instructions given by the shareholder in the form of proxy. The persons named in the enclosed form of proxy are officers or directors of the Corporation. **A REGISTERED SHAREHOLDER DESIRING TO APPOINT SOME OTHER PERSON, WHO NEED NOT BE A SHAREHOLDER OF THE CORPORATION, TO REPRESENT HIM, HER OR IT AT THE MEETING MAY DO SO BY FILLING IN THE NAME OF SUCH PERSON IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY OR BY COMPLETING ANOTHER PROPER FORM OF PROXY.** A Registered Shareholder wishing to be represented by proxy at the Meeting or any adjournment thereof must, in all cases, deposit the completed form of proxy with the Corporation's transfer agent and registrar, Computershare Investor Services Inc. A Registered Shareholder who has given a form of proxy may revoke the form of proxy at any time prior to using it: (a) by depositing an instrument in writing, including another completed form of proxy, executed by such Registered Shareholder or by his or her attorney authorized in writing or by electronic signature or, if the Registered Shareholder is a corporation, by an authorized officer or attorney thereof at, or by transmitting by telephone or electronic means, a revocation signed, subject to the provisions of the *Business Corporations Act* (Ontario), by electronic signature, to (i) the registered office of the Corporation, located at Suite 401, 217 Queen Street West, Toronto, Ontario M5V 0R2, at any time prior to 5:00 p.m. (Eastern time) on the last business day preceding the day of the Meeting or any adjournment thereof or (ii) with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof; or (b) in any other manner permitted by law.

EXERCISE OF DISCRETION BY PROXIES

The Common Shares represented by proxies in favour of management nominees will be voted or withheld from voting in accordance with the instructions of the Registered Shareholder on any ballot that may be called for and, if a Registered Shareholder specifies a choice with respect to any matter to be acted upon at the meeting, the Common Shares represented by the proxy shall be voted accordingly. Where no choice is specified, the proxy will confer discretionary authority and will be voted for the election of directors, for the appointment of auditors and the authorization of the directors to fix their remuneration and for each item of special business, as stated elsewhere in this Circular.

The enclosed form of proxy also confers discretionary authority upon the persons named therein to vote with respect to any amendments or variations to the matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting in such manner as such nominee in his judgment may determine. At the time of printing this Circular, the management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting.

ADVICE TO NON-REGISTERED SHAREHOLDERS

The information set forth in this section is of significant importance to many shareholders of the Corporation, as a substantial number of shareholders of the Corporation do not hold Common Shares in their own name. Only Registered Shareholders or the persons they appoint as their proxies are permitted to attend and vote at the Meeting and only forms of proxy deposited by Registered Shareholders will be recognized and acted upon at the Meeting. Common Shares beneficially owned by a beneficial holder of Common Shares who does not appear on the records maintained by the Transfer Agent as a registered holder of Common Shares (each a "**Non-Registered Holder**") are registered either: (i) in the name of an intermediary (an "**Intermediary**") with whom the Non-Registered Holder deals in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (ii) in the name of a clearing agency, such as CDS Clearing and Depository Services Inc., (each a "**Clearing Agency**") of which the Intermediary is a participant. Accordingly, such Intermediaries and Clearing Agencies would be the Registered Shareholders and would appear as such on the list maintained by the Transfer Agent. Non-Registered Holders do not appear on the list of the Registered Shareholders maintained by the Transfer Agent.

Distribution of Meeting Materials to Non-Registered Holders

In accordance with the requirements of NI 54-101, the Corporation has distributed copies of the Meeting Materials to the Clearing Agencies and Intermediaries for onward distribution to Non-Registered Holders as well as directly to NOBOs (as defined below).

Non-Registered Holders fall into two categories - those who object to their identity being known to the issuers of securities which they own ("**OBOs**") and those who do not object to their identity being made known to the issuers of the securities which they own ("**NOBOs**"). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their NOBOs from Intermediaries directly or via their transfer agent and may obtain and use the NOBO list for the distribution of proxy-related materials to such NOBOs. If you are a NOBO and the Corporation or its agent has sent the Meeting Materials directly to you, your name, address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding the Common Shares on your behalf.

The Corporation's OBOs can expect to be contacted by their Intermediary. The Corporation does not intend to pay for Intermediaries to deliver the Meeting Materials to OBOs and it is the responsibility of such Intermediaries to ensure delivery of the Meeting Materials to their OBOs.

Voting by Non-Registered Holders

The Common Shares held by Non-Registered Holders can only be voted or withheld from voting at the direction of the Non-Registered Holder. Without specific instructions, Intermediaries or Clearing Agencies are prohibited from voting Common Shares on behalf of Non-Registered Holders. Therefore, each Non-Registered Holder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.

The various Intermediaries have their own mailing procedures and provide their own return instructions to Non-Registered Holders, which should be carefully followed by Non-Registered Holders in order to ensure that their Common Shares are voted at the Meeting.

Non-Registered Holders will receive either a voting instruction form or, less frequently, a form of proxy. The purpose of these forms is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Non-Registered Holders should follow the procedures set out below, depending on which type of form they receive.

Voting Instruction Form. In most cases, a Non-Registered Holder will receive, as part of the Meeting Materials, a voting instruction form (a "**VIF**"). If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder's behalf), the VIF must be completed, signed and returned in accordance with the directions on the form.

or,

Form of Proxy. Less frequently, a Non-Registered Holder will receive, as part of the Meeting Materials, a form of proxy that has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the Non-Registered Holder's behalf), the Non-Registered Holder must complete and sign the form of proxy and in accordance with the directions on the form.

Voting by Non-Registered Holders at the Meeting

Although a Non-Registered Holder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of an Intermediary or a Clearing Agency, a Non-Registered Holder may attend the Meeting as proxyholder for the Registered Shareholder who holds Common Shares beneficially owned by such Non-Registered Holder and vote such Common Shares as a proxyholder. A Non-Registered Holder who wishes to attend the Meeting and to vote their Common Shares as proxyholder for the Registered Shareholder who

holds Common Shares beneficially owned by such Non-Registered Holder, should (a) if they received a VIF, follow the directions indicated on the VIF; or (b) if they received a form of proxy strike out the names of the persons named in the form of proxy and insert the Non-Registered Holder's or its nominees name in the blank space provided. Non-Registered Holders should carefully follow the instructions of their Intermediaries, including those instructions regarding when and where the VIF or the form of proxy is to be delivered.

All references to shareholders in the Meeting Materials are to Registered Shareholders as set forth on the list of registered shareholders of the Corporation as maintained by the Transfer Agent, unless specifically stated otherwise.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The authorized share capital of the Corporation consists of an unlimited number of Common Shares without par value and an unlimited number of special shares issuable in series. As of November 25, 2021 (the "**Record Date**"), there were a total of 20,709,250 Common Shares issued and outstanding and no special shares outstanding. Each Common Share outstanding on the Record Date carries the right to one vote at the Meeting.

Only Registered Shareholders as of the Record Date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting. On a show of hands, every Registered Shareholder and proxy holder will have one vote and, on a poll, every Registered Shareholder present in person or represented by proxy will have one vote for each Common Share held.

To the knowledge of the Corporation's directors and executive officers, as of the date hereof, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, Common Shares carrying more than 10% of the voting rights attached to the outstanding Common Shares, other than as set forth below:

Stock Option Plan and other Incentive Plans

The Corporation has in place the Stock Option Plan, as amended, which was last approved by the shareholders on November 27, 2019. At the Meeting, the shareholders will be asked to approve the Amended Stock Option Plan. The only proposed amendment to the Stock Option Plan will be to increase the number of Common Shares reserved for issue under the Stock Option Plan. All other provisions of the Stock Option Plan will remain unchanged, accordingly, unless stated otherwise, the following description of the Stock Option Plan is applicable to the Amended Stock Option Plan.

The Corporation currently has no long-term incentive plans, other than stock options granted from time to time by the Board under the provisions of the Stock Option Plan. The purpose of the Stock Option Plan is to, among other things, encourage Common Share ownership in the Corporation by directors, officers, employees and consultants of the Corporation and its affiliates and other designated persons. Stock options may be granted under the Stock Option Plan only to directors, officers, employees and consultants of the Corporation and its subsidiaries and other designated persons as designated from time to time by the Board. The number of Common Shares which may be reserved for issue under the Stock Option Plan is limited to 3,608,000 Common Shares. At the Meeting, the shareholders will be asked to approve the Amended Stock Option Plan to increase the number of Common Shares reserved for issue under the Amended Stock Option Plan from 3,608,000 to 4,141,850, representing 20% of the number of Common Shares outstanding on the Record Date. See section entitled "*Particulars of Matters to be Acted Upon – Approval of Amendment to Stock Option Plan*" in this Circular.

Any Common Shares subject to a stock option which is exercised, or for any reason is cancelled or terminated prior to exercise, will be available for a subsequent grant under the Stock Option Plan. The option price of any Common Shares cannot be less than the market price of the Common Shares at the time of grant. Stock options granted under the Stock Option Plan may be exercised during a period not exceeding ten years, subject to earlier termination upon the termination of the optionee's employment, upon the optionee ceasing to be an employee, officer, director or consultant of the Corporation or any of its subsidiaries or ceasing to have a designated relationship with the Corporation, as applicable, or upon the optionee retiring, becoming permanently disabled or dying. The stock options are non-transferable. The Stock Option Plan contains provisions for adjustment in the number of Common Shares issuable thereunder in the event of a subdivision, consolidation, reclassification or change of the Common Shares, a merger or other relevant changes in the Corporation's capitalization. Subject to shareholder approval in certain circumstances, the Board may from time to time amend or revise the terms of the Stock Option Plan or may terminate the Stock Option Plan at any time. The Stock Option Plan does not contain any provision for financial assistance by the Corporation in respect of options granted under the Stock Option Plan.

The Corporation has no equity compensation plans other than the Stock Option Plan.

Employment, Consulting and Management Agreements

The Corporation has in place the following employment agreements between the Corporation or any subsidiary or affiliate thereof and its Named Executive Officers:

Pursuant to a consulting services agreement, as amended on August 8, 2017 (the "**Glenn Consulting Agreement**"), entered into between Mr. Glenn, through a company controlled by Mr. Glenn, and the Corporation, Mr. Glenn is

paid a consulting fee of US\$20,000 per month (plus HST) as President and Chief Executive Officer. In the event of termination of the Glenn Consulting Agreement by the Corporation, other than for death or just cause, Mr. Glenn will be entitled to a payment equal to 24 months of management fees (plus HST). If within 12 months following a change of control of the Corporation, the Corporation terminates the Glenn Consulting Agreement, other than for death or just cause, Mr. Glenn will be entitled to payment in an amount equal to 24 months of management fees (plus HST).

There are no employment agreements in place with any of the directors of the Corporation.

Oversight and Description of Director and Named Executive Officer Compensation

Compensation of Directors

The Corporation has a compensation committee (the "**Compensation Committee**") and it consists of Ali Zamani (Chair), John Anderson and Chris Irwin. Messrs. Zamani and Anderson are each considered to be independent. The Compensation Committee, on behalf of the Board, monitors compensation of the executive officers of the Corporation. The Compensation Committee is responsible for the development and supervision of the Corporation's approach to compensation for directors, officers and senior management as well as bonuses and any increases in compensation to employees or staff that would have a material impact on the Corporation's expenses.

The Compensation Committee, at the recommendation of the management of the Corporation, determines the compensation payable to the directors of the Corporation and reviews such compensation periodically throughout the year. For their role as directors of the Corporation, each director of the Corporation receives fees in the amount of \$8,000 a year. Each director of the Corporation may, from time to time, be awarded stock options under the provisions of the Stock Option Plan. There are no other arrangements under which the directors of the Corporation were compensated by the Corporation or its subsidiaries during the two most recently completed financial years for their services in their capacity as directors of the Corporation.

Compensation of Named Executive Officers

Principles of Executive Compensation

The Corporation believes in linking an individual's compensation to his or her performance and contribution as well as to the performance of the Corporation as a whole. The primary components of the Corporation's executive compensation are base salary and stock options. The Board believes that the mix between base salary and incentives must be reviewed and tailored to each executive based on their role within the organization as well as their own personal circumstances. The overall goal is to successfully link compensation to the interests of the shareholders. The following principles form the basis of the Corporation's executive compensation program:

1. align interest of executives and shareholders;
2. attract and motivate executives who are instrumental to the success of the Corporation and the enhancement of shareholder value;
3. pay for performance;
4. ensure compensation methods have the effect of retaining those executives whose performance has enhanced the Corporation's long term value; and
5. connect, if possible, the Corporation's employees into principles 1 through 4 above.

Management has direct involvement in and knowledge of the business goals, strategies, experiences and performance of the Corporation. The Chief Executive Officer makes recommendations to the Board regarding the amount and type of compensation awards for other members of executive management. The Chief Executive Officer does not engage in discussions with the Board regarding his own compensation.

The Board, at the recommendation of the Compensation Committee, approves, or recommends for approval, all compensation to be awarded to the Named Executive Officers within the constraints of the agreements described under the heading "*Statement of Executive Compensation – Employment, Consulting and Management Agreements*" in this Circular. The Compensation Committee also has the responsibility to make recommendations concerning annual bonuses and grants to eligible persons under the Stock Option Plan.

The Board may direct the Compensation Committee and management to gather information on its behalf and provide initial analysis and commentary. The Board reviews this material along with other information received from any external advisors which may be retained in its deliberations before considering or making decisions. The Board has full discretion to adopt or alter management recommendations.

Base Salary

The Board approves the salary ranges for the Named Executive Officers. The base salary review for each Named Executive Officer is based on assessment of factors such as current competitive market conditions, compensation levels within the peer group and particular skills, such as leadership ability and management effectiveness, experience, responsibility and proven or expected performance of the particular individual. No specific weightings are assigned to each factor, but rather, a subjective determination is made based on a general assessment of the performance of the individual relative to such factors. Comparative data for the Corporation's peer group is also accumulated from a number of external sources including independent consultants. The Corporation's policy for determining salary for executive officers of the Corporation is consistent with the administration of salaries for all other employees.

Annual Incentives

The Named Executive Officers have an opportunity to earn annual incentive compensation payable as a cash bonus, however the Corporation is not currently awarding any such annual incentives. The annual incentive compensation is intended to link pay to annual performance that will drive shareholder value so the Corporation may, in its discretion, award such incentives in the future in order to motivate executives to achieve short-term corporate goals. The Compensation Committee approves annual incentives.

The success of the Named Executive Officers in achieving their individual objectives and their contribution to the Corporation in reaching its overall goals are factors in the determination of their annual bonus. The Board assesses each Named Executive Officers' performance on the basis of his or her respective position and contribution to the achievement of the predetermined corporate objectives, as well as to needs of the Corporation that arise on a day to day basis. Annual incentive compensation is tied to corporate and individual performance. This assessment is used by the Board in developing its recommendations with respect to the determination of annual bonuses for the Named Executive Officers.

Compensation and Measurements of Performance

It is the intention of the Board to approve targeted amounts of annual incentives for each Named Executive Officer at the beginning of each financial year. The targeted amounts will be determined by the Board based on a number of factors, including comparable compensation of similar companies.

Achieving predetermined individual and/or corporate targets and objectives, as well as general performance in day to day corporate activities, will trigger the award of a bonus payment to the Named Executive Officers. The Named Executive Officers will receive a partial or full incentive payment depending on the number of the predetermined targets met and the Board's assessment of overall performance. The determination as to whether a target has been met is ultimately made by the Board and the Board reserves the right to make positive or negative adjustments to any bonus payment if they consider them to be appropriate.

Long Term Compensation

The Corporation currently has no long-term incentive plans, other than stock options granted from time to time by the Board under the provisions of the Stock Option Plan.

Pension Disclosure

There are no pension plan benefits in place for the Named Executive Officers or the directors of the Corporation.

Termination and Change of Control Benefits

The Corporation has not provided compensation, monetary or otherwise, during the two preceding fiscal years, to any person who now acts or has previously acted as a Named Executive Officer or director of the Corporation in connection with or related to the retirement, termination or resignation of such person. The Corporation has not provided any compensation to such persons as a result of a change of control of the Corporation, its subsidiaries or affiliates. Except as set forth under the heading "*Statement of Executive Compensation – Employment, Consulting and Management Agreements*" in this Circular, the Corporation is not party to any compensation plan or arrangement with Named Executive Officers or directors of the Corporation resulting from the resignation, retirement or the termination of employment of such person.

Audit Committee Oversight

Since the commencement of the Corporation's most recently completed financial year, there has not been a recommendation of the Audit Committee to nominate or compensate an external auditor which was not adopted by the Board.

Reliance on Exemptions in NI 52-110

Since the commencement of the Corporation's most recently completed financial year, the Corporation has not relied on:

1. the exemption in section 2.4 (*De Minimis Non-audit Services*) of NI 52-110 (which exempts all non-audit services provided by the Corporation's auditor from the requirement to be pre-approved by the Audit Committee if such services are less than 5% of the auditor's annual fees charged to the Corporation, are not recognized as non-audit services at the time of the engagement of the auditor to perform them and are subsequently approved by the Audit Committee prior to the completion of that year's audit);
2. the exemption in subsection 6.1.1(4) (*Circumstance Affecting the Business or Operations of the Venture Issuer*) of NI 52-110 (an exemption from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the Corporation or of an affiliate of the Corporation if a circumstance arises that affects the business or operations of the Corporation and a reasonable person would conclude that the circumstance can be best addressed by a member of the Audit Committee becoming an executive officer or employee of the Corporation);
3. the exemption in subsection 6.1.1(5) (*Events Outside Control of Member*) (an exemption from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the Corporation or of an affiliate of the Corporation if an Audit Committee member becomes a control person of the Corporation or of an affiliate of the Corporation for reasons outside the member's reasonable control);
4. the exemption in subsection 6.1.1(6) (*Death, Incapacity or Resignation*) (an exemption from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the Corporation or of an affiliate of the Corporation if a vacancy on the Audit Committee arises as a result of the death, incapacity or resignation of an Audit Committee member and the Board was required to fill the vacancy); or
5. an exemption from the requirements of NI 52-110, in whole or in part, granted by a securities regulator under Part 8 (*Exemptions*) of NI 52-110.

The Corporation is a "venture issuer" for the purposes of NI 52-110. Accordingly, the Corporation is relying upon the exemption in section 6.1 of NI 52-110 providing that the Corporation is exempt from the application of Part 3 (*Composition of the Audit Committee*) and Part 5 (*Reporting Obligations*) of NI 52-110.

Pre-Approval Policies and Procedures

The Audit Committee has adopted specific policies and procedures for the engagement of non-audit services as described in the Audit Committee Charter.

Audit Fees

The following table provides details in respect of audit, audit related, tax and other fees billed by the external auditor

of the Corporation for professional services rendered to the Corporation during the fiscal years ended December 31, 2020 and December 31, 2019:

Year	Audit Fees (\$)	Audit-Related Fees (\$)	Tax Fees (\$)	All Other Fees (\$)
Year ended December 31, 2020	106,281	nil	7,062.50	nil
Year ended December 31 2019	174,225	nil	7,062.50	nil

All Other Fees – aggregate fees billed for professional services which included accounting advice.

REPORT ON CORPORATE GOVERNANCE

The Corporation believes that adopting and maintaining appropriate governance practices is fundamental to a well-run company, to the execution of its chosen strategies and to its successful business and financial performance. National Instrument 58-101 - *Disclosure of Corporate Governance Practices* and National Policy 58-201 – *Corporate Governance Guidelines* (collectively the "**Governance Guidelines**") of the Canadian Securities Administrators set out a list of non-binding corporate governance guidelines that issuers are encouraged to follow in developing their own corporate governance guidelines. In certain cases, the Corporation's practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Corporation at its current stage of development and therefore these guidelines have not been adopted. The Corporation will continue to review and implement corporate governance guidelines as the business of the Corporation progresses and becomes more active in operations.

The following disclosure is required by the Governance Guidelines and describes the Corporation's approach to governance and outlines the various procedures, policies and practices that the Corporation and the Board have implemented.

Board of Directors

The Board is currently composed of four directors. Form 58-101F2 – *Corporate Governance Disclosure (Venture Issuers)* ("**Form 58-101F2**") requires disclosure regarding how the Board facilitates its exercise of independent supervision over management of the Corporation by providing the identity of directors who are independent and the identity of directors who are not independent and the basis for that determination. NI 52-110 provides that a director is independent if he or she has no direct or indirect "material relationship" with the company. "Material relationship" is defined as a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment. In addition, under NI 52-110, an individual who is, or has been within the last three years, an employee or executive officer of an issuer, is deemed to have a "material relationship" with the issuer. Accordingly, of the proposed director nominees, Mr. Gordon Glenn, the President and Chief Executive Officer of the Corporation and Mr. Chris Irwin, the Interim Chief Financial Officer of the Corporation, are each considered not to be "independent". The remaining two proposed director nominees, Mr. Zamani and Mr. Anderson, are considered by the Board to be "independent" within the meaning of NI 52-110. In assessing Form 58-101F2 and making the foregoing determinations, the Board has examined the circumstances of each

director in relation to a number of factors.

Directorships

The following table sets forth the directors, and proposed directors, of the Corporation who currently hold directorships with other reporting issuers:

Name of Director	Reporting Issuer
Gorden Glenn	Minnova Corp.
Chris Irwin	Minnova Corp., Deveron Corp., Greencastle Resources Ltd., Playground Ventures Inc., Drone Delivery Canada Corp., Interactive Capital Partners Corporation, American Aires Inc., Glow Lifetech Corp. and Royal Coal Corp.
John Anderson	Triumph Gold Corp., Mexican Gold Corp., Newfound Gold Corp., Parallel Miming Corp., Wildsky Resources Inc., Century Energy Inc. and Fluid Oil Ltd.

Board Committees

The Board has constituted two committees. The following directors are the current members of the following committees:

- *Audit Committee:* John Anderson (Chair), Ali Zamani and Chris Irwin.
- *Compensation Committee:* Ali Zamani (Chair), John Anderson and Chris Irwin.

Members of these committees are appointed annually to hold office until the next annual meeting of the shareholders of the Corporation or until their successors are appointed.

Audit Committee

The Audit Committee is composed of three directors as named above, two of whom are "independent". The operation of the Audit Committee is described in the heading "*Audit Committee Information Required in the Information Circular of a Venture Issuer*" in this Circular.

Compensation Committee

The Compensation Committee is composed of three directors as named above, two of whom are "independent". The Compensation Committee is responsible for: (i) reviewing and approving corporate goals and objectives relevant to the compensation of the chief executive officer of the Corporation, evaluating the performance of the chief executive officer of the Corporation in light of those corporate goals and objectives, and determining (or making recommendations to the Board with respect to the compensation level of the chief executive officer of the Corporation based on this evaluation); (ii) making recommendations to the Board with respect to other officers and directors compensation and incentive-compensation plans; and, (iii) reviewing the executive compensation disclosure before the Corporation publicly discloses this information.

The Compensation Committee members have experience in top leadership roles, strong knowledge of the mining industry and finance, and a mix of experience, as well as tenure as directors of various public companies.

Orientation and Continuing Education

The Board does not have a formal orientation or education program for its members. The Board's continuing education is typically derived from correspondence with the Corporation's legal counsel to remain up to date with developments in relevant corporate and securities law matters. Additionally, historically board members who are familiar with the Corporation and the nature of its business have been nominated.

Ethical Business Conduct

The Board has not adopted guidelines or attempted to quantify or stipulate steps to encourage and promote a culture of ethical business conduct, but does promote ethical business conduct designed to promote integrity and to deter wrongdoing through the nomination of Board members it considers ethical, through avoiding or minimizing conflicts of interest, and by having at least two of its Board members independent of corporate matters.

Nomination of Directors

The recruitment of new directors has generally resulted from recommendations made by directors and shareholders. The assessment of the contributions of individual directors has principally been the responsibility of the Board. Prior to standing for election, new nominees to the Board are reviewed by the entire Board.

Other Board Committees

The Board currently does not have any standing committees other than as set out under the heading "*Report on Corporate Governance – Board Committees*" in this Circular.

Assessments

The Board monitors but does not formally assess the effectiveness and contribution of the Board, its committees and individual Board members. To date, the Board has satisfied itself, through informal discussions that the Board, its committees and individual Board members are performing effectively.

OTHER MATTERS

The management of the Corporation knows of no other matters to come before the Meeting other than as set forth in the Notice of Meeting. **However, if other matters which are not known to management should properly come before the Meeting, the accompanying form of proxy will be voted on such matters in accordance with the best judgment of the person or persons voting the proxy.**

The Board of Directors will appoint an Audit Committee of at least three members, a majority of whom should be "independent" directors of the Board. "Independent" means a director who meets the definition of "independence" under National Instrument 52-110 or any successor policy promulgated by securities regulatory authorities.

All members of the Audit Committee should be "financially literate". An individual is financially literate if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Corporation's financial statements. Each appointed member of the Audit Committee shall be subject to annual reconfirmation and may be removed by the Board of Directors at any time.

Specifically, the Audit Committee will:

- (a) Recommend to the Board the appointment (including terms of appointment such as compensation and scope of duties) and discharge the external auditor of the Corporation (the "**auditor**") who perform the annual audit or other audit, review or attest services in accordance with applicable securities laws, which auditor shall be ultimately accountable to the Board of Directors through the Audit Committee. - (f) Review the Corporation's financial statements, MD&A and annual and interim earnings press releases before the Corporation publicly discloses this information;
- (g) Review the services to be provided by the auditor to assure that the auditor does not undertake any engagement for services for the Corporation that would constitute prohibited services under applicable securities laws under the rules of any stock exchange or trading market on which the Corporation's shares are listed for trading, or could be viewed as compromising the auditor's independence. The Audit Committee must pre-approve all non-audit services to be provided to the Corporation or its subsidiaries by

the auditor;

- (h) Review with management and the auditor the results of any significant matters identified as a result of the auditor's interim review procedures prior to the filing of each quarterly financial statements or as soon thereafter as possible;

- (q) Where considered necessary by the Audit Committee to carry out its duties, have the authority to engage independent counsel and/or other advisors at the Corporation's expense upon the terms and conditions, including compensation, determined by the Audit Committee;
- (r) Satisfy itself that management has put into place procedures that facilitate compliance with the disclosure and financial reporting controls provisions of applicable securities laws, including adequate procedures for the review of the Corporation's public disclosure of financial information extracted or derived from the Corporation's financial statements. The Audit Committee will assess the adequacy of these procedures annually;
- (s) Review all loans to officers;
- (t) Review and monitor all related party transactions which may be entered into by the Corporation as required by rules of the stock exchange or trading market upon which the Corporation's shares are listed for trading;
- (u) Ensure all public disclosure regarding the audit committee is made in compliance with applicable stock exchange rules and securities legislation.

3. Meetings.

The Audit Committee will, when expedient, meet to review the Corporation's quarterly and annual financial statements and MD&A, and will hold special meetings as it deems necessary or appropriate in its judgment. The Audit Committee will endeavor to meet at any time that the auditor believes that communication to the Audit Committee is required. As it deems appropriate, but not less than once each year, the Audit Committee will meet in private session with the independent accountants. The majority of the members of the Audit Committee constitutes a quorum and shall be empowered to act on behalf of the Audit Committee. The members of the Audit Committee will designate one member as chair. Meetings may be held in person or by telephone, and shall be at such times and places as the Audit Committee determines.
